

# OnlineFX Ordering

Allow your clients to place foreign currency orders themselves when they want and where they want with CXI's white-labeled OnlineFX ordering platform. Providing customers a convenient ordering solution that integrates into your existing currency exchange workflow is a win-win.

**1**

## LOG ON TO THE PLATFORM

Clients will log in through your banking platform and be directed to the white-labeled order site.

**2**

## PLACE THE ORDER

They can choose from more than 90 currencies and submit their order themselves.

**3**

## RECEIVE THE CURRENCY

The foreign currency cash will be delivered to their home or available for pick up at a branch location.

**FAST**

**CONVENIENT**

**SECURE**

### Enhance your FX offering

- Expand ways to order currency
- Reduce backend processing time
- Send live status updates
- Review online ordering history
- Transactions flow through CEIFX for your review and reporting

### Provide an excellent client experience

- Compatible on mobile, tablet and desktop
- Send email notifications
- Order any day, any time
- Immediate order confirmation
